

Nimbus- The English Debating Society of ARSD College, has been encouraging and motivating young brilliant minds to put forth their ideas about diverse topics from all spheres of life. Here at Nimbus, we firmly believe in an open-handed approach and take pride in transforming the most fearful ones into voracious speakers. Nimbus actively promotes the participation of its members in national, pan Indian and intercollege MUNs and debate competitions. Nimbus has been organizing the ARSD Youth Conclave, a pan national level MUN since February 2017, and ever since has grown and become better and bigger. With their undying passion of debating and an urge of venting their opinions, the members of the society have always tried to strive and become more logical and rational in their perspectives and views and will continue to do so.
